

Dr. BOB'S COLLECTOR PACK

Ten years ago, by working with us on the recreation of the *Moog Modular*, Bob Moog gave Arturia a real boost and paved the way for the company's future. We are now extremely happy to release, in the aid of the Bob Moog Foundation (BMF), a luxury bundle named *Dr Bob's - Collector Pack*.

This limited edition –only one thousand copies printed- offers 5 collector items at an amazing price: the software recreations of two legendary synthesizers, a very unique book compiled from the BMF's private archives, an acclaimed documentary on Bob Moog and the official badge from the BMF.

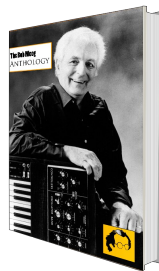

A great deal for all fans of Bob Moog's legacy!
