

MCS2 Media Control Station²

Media Control Station² is the ultimate compact remote. It features large buttons for Record, Play, Stop, Fast Forward, Rewind and other editing functions. A precision optically encoded jog/shuttle wheel lets you jog or shuttle effortlessly with frame accuracy.

MCS² software, included with the RS-232 version, lets you use and customize presets for controlling software from Adobe, AVID, Media 100, Macromedia Sony and many others.

Four versions are available for controlling 9-Pin/RS-422 compatible Video Tape Recorders, computer based audio and video editing systems, hard disk recorders and more.

MCS² Physical Specifications

- Size - 8.5" x 3.25" x 1.5"
- Weight - 2 lbs.

MCS² RS-422/9-Pin Version

Media Control Station² 9Pin features professional transport buttons, a precision optically encoded jog wheel and jog/shuttle control button. Shift and Option modifier keys let the MCS² send more than 20 different control messages including RTZ, Video, Insert, Reverse Shuttle at Play Speed, Audio Track Arming and more. MCS² 9Pin is our compact, low-cost RS-422/P2 compatible universal VTR or DDR jog/shuttle remote.
